

Dual-Use Hygiene Sweeping Broom

Product Code:
B1082GDF

The new Dual-Use Hygiene Broom combines two specialist fibre types to deliver outstanding results across a wide range of cleaning tasks. The front row of stiff, durable filaments easily dislodges and collects heavier debris, while the rear row of softer fibres captures fine dust and particles, leaving surfaces exceptionally clean in a single pass. Designed specifically for food production, processing, and high-hygiene industrial environments, this broom is manufactured from FDA-approved materials and built to withstand demanding use.

Its dual-fill configuration eliminates the need to switch tools between coarse and fine sweeping, improving efficiency while maintaining full hygiene compliance. The hygienic, one-piece construction minimises dirt traps and allows for thorough sterilisation after use, supporting HACCP and 5S cleaning protocols.

DUAL-USE HYGIENE SWEEPING BROOM

Product Details	
Product Barcode	804548114355
Colour	Green
Stiffness	Soft, Stiff
Stock Material	Polypropylene
Fill Material	Polyester
Product Length (mm)	390 mm
Product Width (mm)	50 mm
Product Height (mm)	130 mm
Product Weight (kg)	0.552 kg
Brush Head Length (mm)	-
Brush Head Diameter (mm)	-
Trim Length (mm)	55 mm
Filament Diameter (mm)	
Country of Origin	UNITED KINGDOM
Resin Set	No
Metal Detectable	No
Antimicrobial	No
Waterflow Product	No
Autoclavable	-
Product Use	
Min Temperature	-18 / -0.4
Max Temperature	79 / 174
Food Contact FDA Approved	Yes
Sustainability	
Recycled Materials (%)	-
FSC™ Certified	No
Packaging	
Pack Barcode	804548114362
Pack Size	24
Packaging Composition	Cardboard Box
Packaging Length (mm)	400 mm
Packaging Width (mm)	215 mm
Packaging Height (mm / inch)	117 mm
